The global community shaping the
future of safe autonomous mobility

General Rules in Austria

- Test-, Recovery- or Vaccination certificate together with personal ID
- No distance regulation (capacity 500 ppl)
- Vaccination only counts after 2nd vaccine
- Meetings of +100ppl need to be registered and 3G rule applies
- No mask has to be worn, if 3G-rule (Tested, Vaccinated, Recovered) applies

At the event venue

- Only every 2nd seat will be taken (capacity 250ppl)
- FFP2 masks + disinfectant at the entrance
- Necessity for full vaccination or PCR test to enter the building
- Tables and personnel limits per room are calculated analogously to the current distance rules and are checked for compliance during operating hours.
- Disinfectant dispenser and regular surface disinfection provided
- Usage of modern ventilation systems and regular (free ventilation) by opening windows
- Doctor / emergency paramedics are always present
- Hofburg employees are tested and wear face masks and to disinfect themselves regularly
